## Evercrete expands into three more Indian states with new distributor

Poly Flex, Evercrete's latest addition to its Indian distributor network, will allow one of the world's most trusted concrete water-proofers to expand into three more Indian states.

Poly Flex will represent Evercrete in the Maharashtra, Goa and Gujarat States in India. Located in Mumbai, Poly Flex is an experienced waterproofing contractor and waterproofing membrane manufacturer with a strong distribution network on promoting waterproofing material in its authorized states. Combining Evercrete product with their Poly Flex membrane, they can provide a good comprehensive solution services to clients.

Evercrete is very pleased to welcomes our new distributor on board and look forward to working with new clients in these expanding markets.

Evercrete is now available through distributors in North America, South America, The UK, Continental Europe, Eastern Europe, the Middle East, Asia and Africa.
