Evercrete Helps to Build a New Iraq

Iraq – Merg and Evercrete meet in September 2006 in Dubai, UAE

In June this year, Evercrete appointed Iraq-Merg Company as its distributor in Iraq.

After the removal of Saddam Hussein's regime, Iraq has opened up to more development trade and the reconstruction of the region. Iraq-Merg who already has strong connections with the coalition forces is located in Kurdistan in northern Iraq. This area is a safe and peaceful area which also serves as the northern gate of Iraq through which many goods and services are entering into Iraq.

Evercrete is extremely proud to play a part in re-building a new Iraq.
